

LYMPHEDEMA HOME CARE *Blue Ribbon Program*

Americare Home Health is proud to offer a Lymphedema Home Care Program that will provide an adjunctive therapy for the control and management of lymphedema. Our program will help patients who have Lymphedema and promote the healing of stasis ulcers, wounds and grafts, as well as preventing thrombosis.

AMERICARE OFFERS HOME CARE SERVICES WHEN PATIENTS ARE BEING TREATED FOR THESE CONDITIONS: POST MASTECTOMY • CANCER SURGERY CAUSING SECONDARY LYMPHEDEMA • TUMORS OBSTRUCTING LYMPHATIC FLOW • POST RADIATION FIBROSIS CAUSING LYMPHEDEMA • CHRONIC VENOUS INSUFFICIENCY • VENOUS STASIS ULCERS

AmeriCare's Lymphedema services may include:

- Assisting the Doctor with providing the necessary documentation for conservative treatment such as manual lymph drainage, bandaging the extremities and application of garments.
- Promotion of wound healing
- Provide lymphatic drainage, compression bandaging, skin care, and patient specific therapeutic exercises.
- Nutritional guidance to avoid additional weight gain.
- Psychiatric Nursing to address feelings of social inacceptance due to physical appearance
- Support group meetings
- Medication administration by nursing as ordered
- Pre-measurement and monitoring measurements

AMERICARE'S LYMPHEDEMA SERVICES ARE COVERED 100% UNDER MEDICARE FOR PATIENTS WHO MEET THE FOLLOWING CRITERIA:

Must be Homebound whereby it would be a considerable and taxing effort for the patient to leave their home to obtain services.

BLUE RIBBON Program

The blue ribbon is a symbol of excellence. AmeriCare Home Health uses the blue ribbon to show our extreme commitment and dedication in creating the very best in Disease Management Programs. We take great pride in knowing we have raised the bar in Home Health Care.
